

Welcome and thank you for choosing the Comprehensive Therapy Center at Baptist Medical Center East hospital for your therapy needs. To help us provide you the best care possible, please complete the forms on our web page in the **Required Forms** section and any forms in the **Additional Forms** section that relate to your therapy. Please bring the completed forms with the items listed below to your first therapy visit.

Please Bring:

- 1 Web Forms (Completed)
- 2 Your prescription (Without this referral signed by your MD we cannot treat you)
- 3 A photo ID (if available)
- 4 Insurance Cards &/or Certifications (Please check your individual insurance coverage)
- 5 Medicaid Referral Form 362, if applicable
- 6 Tricare Referral Form, if applicable
- 7 Any medical history information (including any available radiology reports, surgery reports, etc. which will help us provide you better care)
- 8 Medication List

If you have any questions, cannot make your appointment or need to reschedule your appointment please call 244-8345 at your earliest convenience. This will allow us to better accommodate your needs and to move someone off the Waiting List.

Directions:

We are located in the hospital. Enter the main lobby of BMCE and turn left at the information desk. Pass the elevators and we are the first office on the left.

Parking:

Parking is provided for our patients during their scheduled appointment time at the front left side of the hospital. There are "Physical Therapy Parking only" signs posted.

Special Parking Permits are available on request and must be visible in the vehicles front window.

Thank You, Comprehensive Therapy Center Staff
